Mr. John O. Marsh  
Counsellor to the President  
The White House  
Washington, D. C. 20500

Dear Jack:

While it is relatively small potatoes compared to all the big bills that will be coming across the President's desk in the next few days, I thought you should be aware that our legislation (H.R. 13615) to update the CIA Retirement and Disability System is one of those bills. While it is of little national significance, it is very important to our employees. In addition to our usual supporters in the House, i.e., Messrs. Hebert, Nedzi and Robin Beard, Senators Inouye and Baker have weighed in on this to get the legislation through the Senate. If appropriate, I think it would be a good gesture to at least send to these members pens which the President uses in the signing of this legislation.

Sincerely,

George D. Cary  
Legislative Counsel
